The IQAC members recorded the activities and commended the dedication of the IQAC team to quality initiatives, urging them to persevere in their efforts.

Agenda Item No. 2.5 - Review of the Academic Audit report for the session July-Dec 2023.

The members were detailed about the execution process and outcomes of the Academic Audit conducted by IQAC. It was reported that the Academic Audit at the university consisted of a thorough three-phase internal audit carried out by internal academic auditors, followed by an external audit. The academic audit Review- I was conducted in August 2023 to gauge the academic preparedness of the faculty members and the departments. The ERP registrations, course plans, course assessment plans, course materials, and pedagogical approaches to be adopted by faculty members were reviewed. The second academic audit review conducted in October 2023, post-mid-semester, focused on monitoring continuous assessments implemented against the faculty-submitted Course Assessment Plans (CAPs), Attendance analysis, Feedback analysis, Mid-Term marks analysis, Action taken reports and other relevant data required in the academic audit form. The third academic audit review, conducted in January 2024 after the semester's completion, involved a thorough examination of complete course files, end semester marks analysis, and assessments of slow and fast learner progress, including action taken reports and impact analysis.

Further members were informed about the external audit scheduled on February 3, 2024, with Prof. (Dr.) Sandeep Grover, Dean of Institutions, J.C. Bose University of Science & Technology, YMCA, Faridabad, serving as the external auditor. The audit encompassed review of the academic audit forms followed by comprehensive review of files related to course files, CO-PO attainment data, different pedagogies, internal evaluation, experiential learning, industrial visits, industrial training, program booklets, departmental meeting records, MOOC, assignments, video lectures and lab stock. Recommendations and observations from the external audit were communicated to departments for integration into future semesters, ensuring ongoing improvement in academic processes and quality.

The members conveyed their appreciation for the IQAC's efforts and underscored the importance of conducting comprehensive academic audits to ensure compliance with standards and regulations, enhance the quality of education and research, promote transparency and accountability, and ultimately, contribute to the overall improvement of academic excellence and integrity.

Agenda Item No. 2.6 - Admission status report of AY 2023-24 and enrolment ratio

The admission data for both 2022-23 and 2023-24 was presented. It was submitted that in the academic year 2022-23 and 2023-24, a total of 968 and 1038 seats were sanctioned respectively under different programs. In which, a total of 756 and 808 students were admitted respectively under various programs offered by the University leading an enrolment percentage of 78 in both academic years (2022-23 and 2023-24).

Enrolment percentage for AY 2022-23 and 2023-24

Academic Year	Total Number of Sanctioned seats	Total number of enrolled students	Enrolment percentage
2022-2023	968	756	78
2023-2024	1038	808	78

The members took the information on records.

Agenda Item No. 2.7- Quality Initiatives implemented at the university level concerning Teaching, Learning, and Evaluation during the session July-Dec 2023

The members were informed about the implementation of variety of pedagogical approaches and integration of technology in teaching learning process across the University. Dean Academics emphasised that through techniques like project-based learning, cooperative and active learning, flipped classrooms, experiential learning, case-based teaching and peer-to-peer learning, an enhancement of the overall educational experience was aimed and witnessed. The approaches not only adopted a comprehensive understanding of the course but also promised significant outcomes like students' preparation with both theoretical knowledge and practical skills relevant to their respective fields, exposure to real-world situations, development of critical thinking skills and improved decision making capacity

A summary of the activities along with a detailed report is annexed as **Annexure 2.7**.

The efforts of the faculty members in deploying innovative ideas were acknowledged by the IQAC members. It was suggested that feedback for PBL courses be obtained separately, as well as for topics employing different pedagogical approaches. Emphasis was placed on displaying information regarding pedagogies on the website, including a list of problems and projects used in PBL along with their outcomes. Additionally, consideration was given to the inclusion of LinkedIn Learning Courses in interactive pedagogies.

Agenda Item No. 2.8 – Report on the Course Outcomes (CO) assessment process in accordance with Bloom’s Taxonomy

Dean Academics apprised the members about the course outcome assessment process implemented within the University, aimed at enhancing overall quality of the educational experience. The following key points were highlighted:

- a) Drafting of Outcome-Based Education (OBE) Manual: Departments have drafted an OBE manual, incorporating a consolidated report mapping both course and program outcomes for the entire 2023 pass-out batch. Sample reports from both direct and indirect assessments through the ERP system were presented.
- b) Review and Update of Departmental Course Outcomes: The office of Dean Academics reviewed and updated departmental course outcomes for the session Jan-June 2024. Specific initiatives were undertaken including Creating comprehensive Course Outcome statements, Integrating Bloom's Taxonomy action verbs into formulation for enriched learning objectives, Designing separate Course Outcomes for theory and lab courses, Aligning Course Outcomes and Program Outcomes at the highest level (3) for comprehensive connection.
- c) Workshops and Training conducted: IQAC, in collaboration with the Dean Academics Office, organized workshops including the "Fundamentals of Designing Course Outcome" and "CO-PO Attainment Calculations" to equip faculty members with CO-PO mapping and attainment.
- d) Study of Phase-wise Attainment for July-Dec 2023: Differentiated actions were taken based on students' levels of understanding. For students with low understanding: Question banks, additional assignments, and extra classes were provided. For quick learners: Emphasis on project work, opportunities for publishing papers, and encouragement for certification courses. A comprehensive impact analysis was conducted, paving the way for necessary actions to be implemented in preparation for upcoming batches.

Process Flow:

Deepa

The IQAC members acknowledged the Dean Academics office for the robust Course Outcome assessment process. It was suggested to implement the necessary actions identified through the impact analysis and continuously monitor the CO assessment process for the on-going improvement.

Agenda Item No. 2.9 - Report of the Value-Added Courses offered for the holistic development of the students during the session July-Dec 2023

The IQAC members were apprised about the opportunities offered to the students with a focus on enhancing specific skills and knowledge beyond the regular curriculum with the goal of fostering interdisciplinary engagement through Value added courses. In this regard, a central registration link was introduced during the odd semester for VAC enrolment. The initiative aimed to encourage students from various departments to participate in value-added courses extending beyond their core disciplines. It was informed that the courses such as Introduction to Electric Vehicle, Understanding of Data Science using Python, and First-time Managers had a mixed audience. It was further notified that in the current semester, students specializing in computer science and technology have chosen courses from the Law department, showcasing a cross-disciplinary interest.

The Summary of Value Added Courses offered in the Odd semester for the Academic session 2023-24 is presented below and annexed as **Annexure 2.9**.

S.No.	Academic Year	Total No. of VAC offered	No. of new VAC courses introduced	No. of students enrolled	% age of students enrolled
1	2023-2024 (Odd Semester)	30	26	1101	45.87%

The IQAC members suggested to hold VAC presentations akin to elective presentations from next academic year, followed by registration through the ERP system so as to result in a significant increase in interdisciplinary enrolment rates.

Agenda Item No. 2.10 - Report of Mentoring system for the session July-Dec 2023.

In the academic session July-Dec 2023, 115 faculty members were assigned the responsibility of mentorship. Each mentor was allotted a maximum 20 mentees. The mentors conducted the meetings as per the schedule in the class time table, identified the academic, social and personal needs/ issues of the mentees and took necessary actions to resolve the same.

A comprehensive report of the minutes of Mentor - Mentee meetings and Action taken is annexed as **Annexure 2.10**.

The members recognized the dedication of the mentors, and the esteemed Pro-VC, MRU requested prompt action on medical or special attendance cases to ensure that the list of students facing detention can be formulated immediately after the semester concludes, without any delay.

Agenda Item No. 2.11 – Report on the activities conducted by various departments, clubs and committees for the session July-Dec 2023

The student activities organized by the departments, clubs, and committees were showcased before the members. It was informed that the activities were designed to equip students with both technical and soft skills essential for their holistic development and aligned with the specific requirements of their respective domains.

- 12 sessions for career counselling and 13 sessions for awareness of trends in technology annexed in **Annexure 2.11a by the departments were reported.**
- For enhancement of the technical skills, various workshops and seminars as conducted by different clubs and cells of the University are summarized below:

Agenda Item No. 2.13 - Information about the First surveillance of ISO certifications

The members were apprised about the First **surveillance of ISO certifications** conducted successfully for ISO 9001:2015, ISO 14001:2015, ISO 50001:2018 in December 2023. Observations for improvement were shared before the committee.

The members took the matter on records and suggested to plan and execute for the fulfilment of the requirements.

Agenda Item No. 2.14 – Presentation and Discussion of findings from the Green, Environment & Energy Audit conducted by EHS Alliance.

The members were informed about the second cycle of Energy Environment & Green Audits conducted successfully by EHS Alliance Pvt. Ltd. on 16th January 2024. The observations & recommendations were shared for further action & review. It was told that the main emphasis was on securing certifications/awards for MRU for various initiatives including Zero Waste, Green Campus, and Cleanliness certifications, along with the prestigious Golden Peacock Award. Other recommendations included conservation of water by utilizing water meter data in dining facilities, adopting water-saving practices, employing dishwashers with less froth detergent, and implementing a food waste policy to minimize food waste. Additionally, suggestions were given to utilize biogas composters for food waste management.

The members discussed the observations & recommendations made and advised to plan & adopt measures in the best possible manner.

Agenda Item No. 2.15 – Preparation status for NAAC.

The members were informed about the efforts and initiatives undertaken by the team IQAC to boost NAAC preparedness through sessions on preparation of NAAC documentation and presentation for Deans, Heads and faculty members, academic audits and mock visits, regular review meetings of the departmental presentations by the respective Heads are coordinated by the Dean Academics office.

Agenda Item No. 2.16 – Any other agenda from the permission of the chair.

No other item was presented.

The meeting ended with a vote of thanks to the chair.

Opening remarks by the Chairman

Hon'ble VC Sir Prof. (Dr.) I.K. Bhat extended a warm welcome to all the members and shared the objective of IQAC during his opening address. He stressed the importance of organizing review and brainstorming sessions that engage the entire faculty as a unified effort essential to monitor the progress in preparation for the accreditation assessments. Hon'ble VC Sir further highlighted the significance of integrating environmental and sustainability initiatives into the academic framework. He pointed out the need of implementing additional measures to elevate and encourage research activities within the institution. This aligns with the objectives outlined in the National Education Policy (NEP) and the National Credit Framework, which emphasize the importance of motivating and actively involving students in research work.

Agenda Items for the meeting are presented as below:

Agenda Item No. 1 - Status Update on the ongoing Accreditation Process

To update the current status of the ongoing accreditation process by NAAC and NBA.

The IQAC members were briefed on the progress of the ongoing accreditations, specifically with NAAC & NBA. It was informed that the university submitted its Institutional Information for Quality Assessment (IIQA) application form on 20th January 2023 followed by successful submission of Self Study Report (SSR) on 5th April 2023. As a part of DVV process, the university responded to 26 queries on 7th May 2023 and is waiting for the final communication regarding DVV and PTV.

Further, it was shared that the Department of Computer Science & Technology has applied for NBA accreditation. Following the initial registration on January 16, 2023, the pre-qualifier submission followed on 19th January 2023. A significant milestone was reached on 30th March 2023, with the submission of the comprehensive Self-Assessment Report (SAR). The dates that have been proposed for the visit are 29th Sept to 1st October 2023.

The matter was taken on records by the IQAC members.

Agenda Item No. 2 - Academic Progress and Enhancement

To update the status of curriculum design & development during the AY 2022-23 with respect to:

- Introduction of New Programs and their Alignment with Industry Trends

Dean Academics presented the list of new programs commencing from the AY 2022-23.

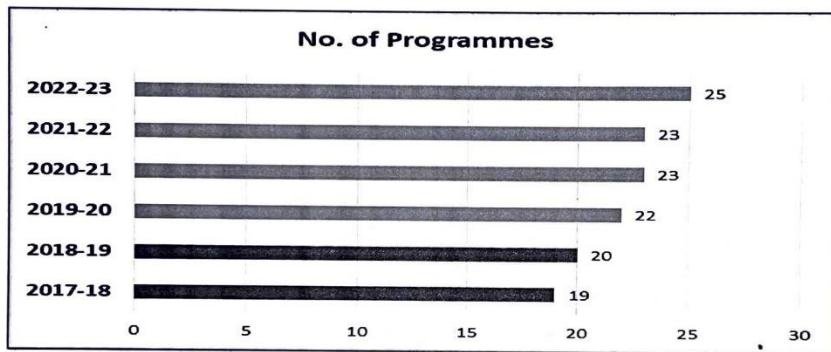

She emphasized the significance of the new programs - **MBA Business Analytics, B.Tech. Robotics and AI and LL.B. programs.**

The programs like MBA Business Analytic and B.Tech. Robotics & AI seek to provide graduates with competence in high-demand sectors in an age of rapid technological innovation and data-driven decision-making. These programs also encourage collaboration between technology and business. Furthermore, these programs train students for future labor market dynamics, allowing them to be adaptive and competitive in rapidly changing industries.

MBA Business Analytics is in association with the Institute of Analytics (IoA), UK, a leading professional body for Analytics and Data Science professionals where students are being trained and groomed by professionals.

LLB course is demanded by law aspirants who are already a graduate and want to pursue law as a career. LLB degree offers numerous career benefits and exceptional opportunities in the legal field. Graduates can explore diverse career paths in law firms, corporate legal departments, government agencies, and international organizations. The degree also opens doors to legal journalism, research, and academia.

The IQAC members took a record of the same.

- **Courses Focused on Employability, Entrepreneurship, and Skill Enhancement**

Dean academics informed the members about the courses that are meticulously tailored to address the evolving demands of the workforce and equip individuals with the knowledge and skills to excel in the job market, start their own businesses, or enhance their existing careers in the University's curriculum. She reported that in the Academic Year 2022-23, 96.7% of the courses offered are dedicated to enhancing employability, entrepreneurship, and essential skills.

Meena Kapali

The IQAC members took a note of the mentioned information, and they emphasized the need for more substantial and regular monitoring of the academic quality, particularly in relation to the imparting of industry-relevant skills to the students.

- **Value-added Courses (VAC) Offered**

It was informed that a total of 35 Value-added Courses (VAC) were offered in the AY 2022-23, and that 98.7% of the enrolled students successfully completed these courses [Annexure-2.1]. Out of 35, 17 are new VAC.

S.N o.	Academic Year	Total No. of VAC offered	No. of new VAC introduced	% age of students enrolled	% of students completed

6	2017-18	18	18	77.9	96.39

The IQAC members took the above mentioned information on record and applauded the efforts of the departments. It was suggested to include more unique and interdisciplinary VACs.

- **SWAYAM/NPTEL/Other MOOC Certifications Earned by the Students**

In the AY 2022-23, a total of 36 MOOCs were offered across various programs in the university [Annexure-2.2] to acquire knowledge, skills and enable students to pursue their educational and career goals on their terms.

8.	Education	02	13	13
9.	Management	02	55	55

The IQAC members acknowledged the same.

• **Integration of Technology & Experiential Learning Methods**

Dean Academics explained the effect of Integration of new pedagogies and practical learning across academic fields in providing quality education. It was shared that the Engineering programs encourage hands-on problem-solving by allowing students to develop mini-projects and test prototypes, bridging the gap between theory and practical approaches. Students in the Department of Management and Commerce are acquainted with real-world business simulations and case studies, where they can practice leadership and decision-making skills. Moot court exercises, mock trials and internships in the Law programs provide an opportunity to apply legal theory to actual issues, enhancing advocacy and bargaining skills. Inquiry-based learning, in which students do experiments and inquiries to increase their understanding of scientific concepts, benefits the students of the department of Sciences. Aspiring teachers in Education study interactive tactics to ensure they can effectively engage and inspire pupils in real classrooms. These integrations ensure that students acquire not just academic information but also practical skills and expertise. A list of such technology integration techniques and experiential learning tools adopted in various courses across all the programs is provided as Annexure-2.3.

The IQAC members acknowledged the importance of this initiative and recognized the necessity to provide training for all faculty members to enable them to embrace and excel in innovative pedagogies especially use of IT tools and PBL. Furthermore, they emphasized the need to monitor the innovative pedagogy employed by the departments, ensuring alignment with the guidelines of the National Education Policy (NEP) 2020.

Decision: The IQAC noted the suggestion for future compliance.

• **Analysis of Feedback and Action Taken Based on Feedback**

The feedback for the AY 2022-23 from different stakeholders including students, faculty members, alumni and employers was conducted on curriculum design and development with an aim to strengthen and improve the academic system at Manav Rachna University. The analysis of the feedback collated and the action taken reports by the respective departments were presented and discussed [Annexure-2.4].

Meenu Kapali

The IQAC members acknowledged the feedback report. There was a consensus that enhancing the feedback mechanism with employers through the CRC is imperative. It was suggested that a meeting with the CRC be arranged to enhance communication and collaboration in this regard. This will help us further our efforts in enhancing our placement activities.

Agenda Item No. 3 - Research & Innovation Activities

To present and share the research & innovation activities report for the AY 2022-23 including:

- **Summary of Faculty and Student Publications, both in Journals and Conferences**

Dean Research shared the significant contributions of the faculty members & the students to the academic and research community with a total of 144 research papers publications. [Annexure-3.1]. The papers have been featured in reputed journals (110), conferences (34), books, and book chapters (41) that are listed in Scopus, Web of Science, and other platforms.

Furthermore, the students have collectively published 13 research papers in journals and an additional 09 papers in conferences.

According to the latest data from the Scopus database, the total number of research publications attributed to our university has increased to an impressive 607, up from the previous count of 583. Furthermore, our university's h index, a measure of research impact and productivity, has also seen growth, now standing at 35, compared to the previous value of 33 [Annexure-3.1].

- **Update on Patents Filed, Published, and Granted**

In the AY 2022-23, 02 new provisional patent applications have been filed by the faculty members, a total of 62 patent applications got published and 03 patent applications have been granted and 04 patent application got registration of design representing a wide spectrum of innovations and ideas generated within the community of faculty members and students [Annexure-3.2].

- **Technical and Research-oriented Events Organized for Faculty and Students**

To facilitate culture of innovation, learning, and research, MRU organized a variety of technical and research-oriented events for both our esteemed faculty and students serving as platforms for knowledge exchange and skill enhancement. In the AY 2022-23, a total of 35 events have been organised related to Skill Development (21), Entrepreneurship (08), Intellectual Property Rights (02), and Research Methodology (04). The list of events related to Skill Development, Entrepreneurship, Intellectual Property Rights, and Research Methodology in the Academic Year 2022-23 is attached as [Annexure-3.3].

- **Recognition Received for Outstanding Research Endeavours by Faculty and Students**

Dean Research shared noteworthy recognitions for the outstanding research endeavours undertaken by both the dedicated faculty and talented students. The institution has achieved a remarkable total of 51 research recognitions for students and impressive 25 research recognitions for our esteemed faculty members [Annexure-3.4].

The IQAC (Internal Quality Assurance Cell) members expressed their appreciation for the university's research endeavours. However, they stressed the crucial need for implementing additional measures to elevate and encourage research activities within the institution.

Decision: The departments were requested to share the information regarding the students' publications. Additionally, the departments were encouraged to submit more proposals for seed money to support their initiatives.

Agenda Item No. 4 - Student Welfare Activities

To update and apprise the status of student welfare activities and achievements in cultural & sports events/activities during the AY 2022-23

- **Cultural Events and Activities Organized for the Students**

The Department of Student Welfare (DSW) has consistently organized cultural and sports events that have positively impacted the student community. These events have not only enriched the academic journey but also promoted cultural appreciation, artistic expression, and talent development among students. Nearly **48** cultural and sports events were organized by the DSW that span across various artistic domains, including dance, music, and poetry [**Annexure-4.1**].

• **Student Achievements in Cultural Activities**

In the AY 2022-23, our students participated in a wide range of cultural and sports activities on inter-university platforms and won **12** awards. Their accomplishments are summarized in the **Annexure-4.2**.

The IQAC members duly acknowledged the information and stressed the importance of increasing sports initiatives in alignment with the Khelo India program. They also emphasized the need for student activities with a stronger focus on cultural, sports, research, and placement-related activities.

Decision: To implement a fortnightly student activities report to ensure consistent and effective monitoring of these initiatives.

Agenda Item No. 5 - Student Progression

To present the status of student placement and progression to higher studies for the AY 2022-23

The placement coordinator shared an overview of the status of student placement and their progression to higher studies for the AY 2022-23. A total of **198** students out of **428 (46.2%)** have successfully secured employment opportunities in various reputed companies and organizations. **Eight students** have opted for higher studies. The highest placement package offered to a student in the AY 2022-23 was 60 LPA, a testament to the quality of education and skills development imparted at the university [**Annexure-5.1**].

Placement Highlights:

3 International Placements

- Karan Aditya Ghosal, KPMG Canada, 60 LPA
 - Sarthak Rastogi, Space & Times Labs, 55 LPA
 - Deepanshu Sharma, ÉQUIPE SANTÉ INC, Canada, 30 LPA
- Highest Domestic Placement
- Ananya Kamra, Alto Palo Networks, 54 LPA

The IQAC members took the data on records. The members appreciated the efforts of the departments, CDC and CRC.

Decision: It was suggested developing a mechanism to collect the updated student progression data of the graduating batch at the time of convocation.

Agenda Item No. 6 - Faculty Professional Development Initiatives and Recognitions

To provide an overview of the professional development initiatives undertaken throughout the AY 2022-23

- **Faculty Development Programs/STC/Orientation/Refresher/Conferences/Workshops conducted**

Seventeen of such programs have been organised, each by the departments of ECE, Management & Commerce, Sciences (Physics & Chemistry), CST, Law and Education & Humanities [Annexure-6.1].

- **Faculty participation in both external and internal Faculty Development Programs/STCs/Orientation/Refresher/Conferences/Workshops**

As a testament to the commitment of our esteemed faculty to their continuous improvement, 84 faculty members actively participated in a spectrum of development opportunities, both internal and external [Annexure-6.2]. These engagements include Faculty Development Programs (FDPs), Short-Term Courses (STCs), Orientations, Refresher Courses, Conferences, and Workshops, showcasing the dedication of the faculty members to stay at the forefront of education and research.

The IQAC members noted the same.

Agenda Item No. 7 - Examination Results and Grievance Report

To share the report of the examination results for the academic year 2022-23 and present a summary of any grievances or concerns raised and addressed regarding examination processes.

Out of a total of 522 final-year students who took the examinations, 428 have successfully passed, resulting in a pass rate of approximately 81.9% [Annexure-7.1].

Thirteen grievance cases have been reported for examinations collectively in the odd and even semesters in the AY 2022-23 [Annexure-7.2].

The IQAC members acknowledged the data.

Decision: It was taken on record the year-wise tracking of the academic progression of each batch to facilitate improved comparative analysis. Additionally, there was a suggestion to emphasize the importance of maintaining the quality of examination question papers, including the practice of sourcing approximately 50% of question papers from external experts.

Agenda Item No. 8 - To Apprise the Status of the Following for the AY 2022-23

- **Extension & Outreach Activities Conducted**

University's consistent engagement and participation in extension and outreach activities was presented. The initiatives, carried out in collaboration with students and faculty, reflected the institution's enduring commitment to community development, addressing pressing social and environmental issues and establishing sustainable partnerships [Annexure 8.1].

● **MRCPS Initiatives Undertaken**

MRCPS diverse initiatives reflected a steadfast commitment to peace, sustainability, and holistic education, making a positive impact on multiple fronts.

In the year 2022, the Manav Rachna Centre for Peace and Sustainability (MRCP) achieved significant recognition, receiving the World Congress on Disaster Management Disaster Risk Reduction Award for its outstanding efforts in mitigating the COVID-19 pandemic impact.

Collaborating with Heartfulness, MRCP promoted yoga and meditation practices, fostering holistic well-being.

The Peace and Sustainability Students Club played a pivotal role, providing peace training, meditation sessions, and yoga classes to school students, molding future leaders.

MRCPS commitment to the United Nations Sustainable Development Goals (SDGs) was evident in the integration of these goals into Manav Rachna University's curriculum.

The Essentials of Peace and Sustainability; course, approved by UNSCO-OERBW, was extended to other universities, emphasizing responsible global citizenship.

MRCPS Green Warriors, Project PEHEL, and initiatives like Kuch Kahna Hai; addressed community development, child safety, and environmental awareness.

Additionally, the Education for Sustainable Development Programme (ESDP) engaged school students through creative activities, while the Peace Corridor symbolized unity and hope, adorned with words for peace from numerous languages.

The Peace Initiatives Towards a Sustainable World wallpaper chronicled global peace efforts.

Decision: DSW office was advised to update the data and include some of the events like Sustanathon conducted by MRU.

Agenda Item No. 9 - Environment, Energy and Green Audits and ISO Certifications

To apprise IQAC members about the

- The Environment, Energy and Green Audit conducted
- The key areas assessed, identified strengths, and areas needing improvement
- ISO Certifications in Energy Management System, Environment Management System and Quality Management System

The Environment, Energy and Green Audit conducted

MRU has been assessed by EHS Alliance Services for the comprehensive study focussed on evaluating environmental impacts of institutional working framework to fulfil the requirement of Environment Audit, Energy Audit & Green Audit. The environment, energy and green initiatives undertaken by the University have been found satisfactory. The observations/recommendations by the Audit Team were shared. We commit to taking proactive measures to address these recommendations and continue our journey towards a greener and more sustainable future [Annexure 9.1].

Some of the recommendations include the following:

Environment Audit: Eco-friendly measures for purchase of articles, car-pooling practices to minimise air pollution; Environmental Monitoring, i.e. Stack Monitoring of DG sets, Water monitoring conducted by State Pollution Control Committee approved laboratory; agreement with third party authorised vendors for different types of waste management, such as e-waste, BMW, Plastic waste, etc. and increase the capacity of solar PV.

Energy Audit: More LED lights replacing tube lights, regular maintenance schedule of equipment like geysers, water coolers, pumps, etc. The efficiency of DG Sets and AC were found to be satisfactory during the audit trials as per the report. However, the recommendations include a regular maintenance of the equipment, insulation of AC's refrigerant lines in order to protect energy losses and purchase of BEE 5 Star rated equipment in future. It has been advised to use solar water heater instead of electric geysers. And electronics such as computers, printers, scanners, etc. more than 3 year or 5 years (as per their life) should be replaced with new computers/laptops.

Green Audit: Increase of solar panel capacity to meet at least 70% of electricity requirement, installation of solar heaters, consideration of environmental parameters in purchase policy.

For water conservation, it has been suggested to install water meters at every building for monitoring of water consumption per capita, adopt drip irrigation and sprinklers gardening to save water in campus, and maintain the flow rate of taps at not more than 2.5 litres/minute.

For community, increase plantation drives in nearby areas to balance the carbon emission and absorption, arrange training programs on environmental management system and nature conservation, involve lower hierarchy staff in environmental awareness programs and campaigns and enhance recycling.

It has been further advised to display messages at various locations to create awareness about Energy Savings Green building guidelines.

It is to share the successful attainment of ISO certifications for Manav Rachna University with respect to **Quality Management System, Environmental Management System, and Energy Management System.**

The ISO certifications achieved by Manav Rachna University signify the following:

The Quality Management System of MRU is ISO 9001:2015 certified w.e.f. from Dec 26, 2022 (valid till December 25, 2023).

The Energy Management System has attained ISO 50001:2018 certification w.e.f. from Dec 26, 2022 (valid till December 25, 2023).

The Environmental Management System of MRU is now ISO 14001:2015 certified w.e.f. from Dec 26, 2022 (valid till December 25, 2023).

Decision: The IQAC members took a note of the same and advised the coordinators to prepare for the next cycle due this year.

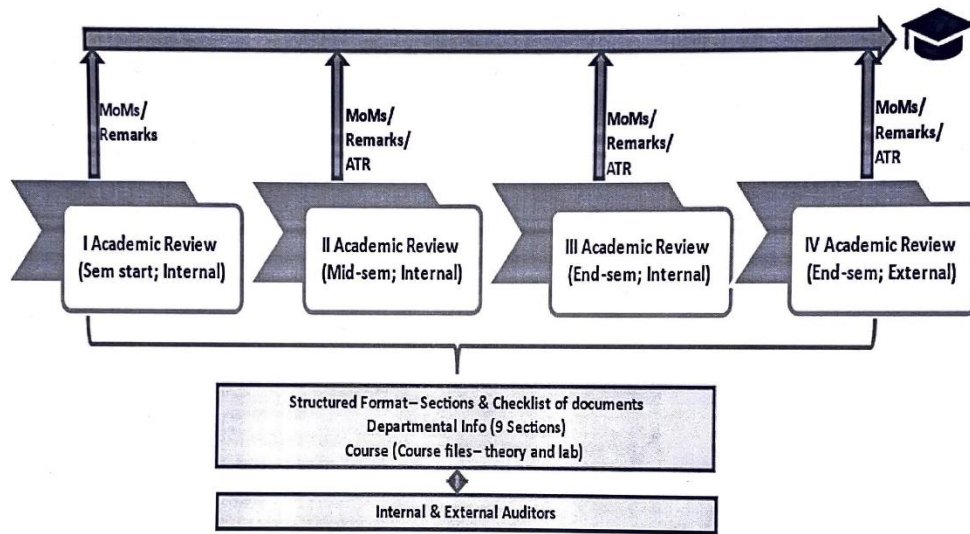

Agenda Item No. 10 - Academic Audit Proforma

To present the Academic Audit Proforma designed for the departments for the AY 2023-24.

The members were apprised about the academic audits initiated in the university to comprehensively evaluate the academic framework, focusing on departments and courses [Annexure 10.1]. It was informed that the entire academic audit process is structured into 3 internal audits (beginning of the semester, mid-semester and end-semester) followed by 1 external audit at the end of the semester. Further, the audits are being conducted by the internal auditors (experts from various departments) who undergo training sessions organised by IQAC for conducting the same.

Decision: A suggestion was made to include specific dates and agenda item numbers related to the academic bodies of the University, details on awarded PhDs, funding information, Memoranda of Understanding (MoUs) signed, and collaborative activities in each department for comprehensive documentation.

2023-2024	Bharatendu Aggarwal	FDP on "International Law for Early career academics" held at O. P. Jindal Global University, Sonipat.	10,000.00
2023-2024	Urmila Pilia	6th International Conference on "Contemporary Computing and Informatics (IC3I-2023)" to be held at Amity University, Greater Noida between 14th-16th Sept., 2023.	8,100.00
2023-2024	Manoj Kumar	3rd International Conference on "Advancement in Electronics & Communication Engineering AECE-2023" between 23rd-24th November, 2023 at Raj Kumar Goel Institute of Technology, Ghaziabad.	7,500.00
2023-2024	Mrinal Pandey	International Conference on "Energy Materials & Rechargeable Batteries (ICEMRB-2023)" at Manav Rachna University, Faridabad between 19th – 22nd December, 2023.	2,500.00
2023-2024	Khusboo Gulati	FDP on "Advanced panel data analysis" held at Lal Bahadur Sashtri Institute of Management, Delhi	3,000.00
2023-2024	Manpreet Kaur	Workshop on "Introduction to Language Models" between 17th to 21st July, 2023 being organized by NPTEL (Chennai Mathematical Institute).	1,180.00
2023-2024	Chandni Magoo	Workshop on "Introduction to Language Models" between 17th to 21st July, 2023 being organized by NPTEL (Chennai Mathematical Institute).	1,180.00

2023-2024	Mr. Abhay Parashar – CST Student, 7th Sem., Mentor: Dr. Shalu	5th International Conference on “Advances in Computing, Communication Control and Networking (ICAC3N)” to be held at Galgotias College of Engineering and Technology, Greater Noida between 15th & 16th December, 2023.	7,000.00
2023-2024	Mr. Harshul Dudeja, CST Student, 7th Sem., Mentor: Dr. Shalu	5th International Conference on “Advances in Computing, Communication Control and Networking (ICAC3N)” to be held at Galgotias College of Engineering and Technology, Greater Noida between 15th & 16th December, 2023.	7,000.00
2023-2024	Ms. Jaspreet Kaur. CST Student, 4th Sem., Mentor: Dr. Shalu	5th International Conference on “Advances in Computing, Communication Control and Networking (ICAC3N)” to be held at Galgotias College of Engineering and Technology, Greater Noida between 15th & 16th December, 2023.	7,000.00
2023-2024	Dinesh Kumar Sharma	3rd International Conference on “Plasma Theory & Simulations (PTS-2023)” to be held at Jawaharlal Nehru University (JNU) between 21st - 23rd September, 2023.	5,920.00
2023-2024	Ms. Tisha Garg, CST Student, Mentor: Dr. Shalu	5th International Conference on “Advances in Computing, Communication Control and Networking (ICAC3N)” to be held at Galgotias College of Engineering and Technology, Greater Noida between 15th & 16th December, 2023.	7,000.00
2023-2024	Moditma	Conference cum Workshop on “Effective Teaching” to be held at Birla Institute of Technology & Science (BITS), Pilani between 30th – 31st July, 2023.	9,970.00
2023-2024	Manoj Kumar	Registration fee and local conveyance as per entitlement to attend 3rd International Conference on “Advancement in Electronics & Communication Engineering AECE-2023” between 23rd-24th November, 2023 at Raj Kumar Goel Institute of Technology, Ghaziabad.	7500.00 + Conv. as per entitlement

2023-2024	Mr. Tuhin Tarafdar, CST Student	International Conference on “Machine Intelligence for Research & Innovation” at Dr. B. K. Ambedkar, N.I.T., Jalandhar between 1st-3rd Sept., 2023.	7,670.00
2023-2024	Mr. Chirag Varshney, CST Student Mentor: Dr. Manoj Kumar	3rd International Conference on “Advancement in Electronics & Communication Engineering (AECE-2023)” to be held at R.K., GIT, Ghaziabad between 23rd – 24th November, 2023.	4,500.00
2023-2024	Mr. Rehan Aziz, CST Student Mentor: Dr. Mamta Arora	International Conference on “Recent Advances in Science & Engineering (RAISE-2023)” to be held at Manipal Institute of Technology (MAHE), Manipal between 4th–5th October, 2023.	5,000.00
2023-2024	Anjali Sharma, Project Associate-I Physics Deptt.	International Conference on “Energy Materials & Rechargeable Batteries (ICEMRB-2023)” at Manav Rachna University, Faridabad between 19th – 22nd December, 2023.	1,500.00
2023-2024	Jitendra Pal Singh, Ramanujan Fellow Physics Deptt.	International Conference on “Energy Materials & Rechargeable Batteries (ICEMRB-2023)” at Manav Rachna University, Faridabad between 19th – 22nd December, 2023. The above registration amount may be sanctioned from Ramanujan Fellow Project Grant.	2,500.00
2023-2024	Mr. Vivaan Mittal, CST Student -7th Sem. Mentor: Dr. Urmila Pilania	International Conference on “Self Sustainable Artificial Intelligence Systems (ICSSAS 2023)” to be held at M.P.Nachimuthu M. Jaganathan Engineering College, Tamil Nadu between 18th – 20th October, 2023.	6,500.00
2023-2024	Mr. Balaj Iqbal – Student -Law Deptt., Mentor: Mr. Amit Kuma	Law Students (Balaj Iqbal, Shruti Kumari, Aishwarya Sareen) who had attended 1st Dr. Patangrao Kadam Memorial National Moot Court Competition, 2023 being held at Bharati Vidyapeeth, Institute of Management & Research, New Delhi between 31st March – 1st April, 2023.	3,000.00

2023-2024	Mr. Prateek Singh – Student -Law Deptt. Mentor: Ms. Simran Singh	Law Students (Prateek Singh, Balaj Iqbal & Chharvi Grover) who had attended 4th National Moot Court Competition, 2023 being held at Career Point University, Hamirpur, HP, India between 21st – 22nd April, 2023.	4,000.00

2023-2024	Mr. Mukul Sharma, CST Student Mentor: Dr. Shalu	International Conference on “Artificial Intelligence and Information Technologies (ICAIIIT 2023)” to be held at Samarkand State University, Uzbekistan between 3rd & 4th November, 2023.	6,000.00
2023-2024	Prajawal Paul, CST Student Mentor: Dr. Shalu	International Conference on “Artificial Intelligence and Information Technologies (ICAIIIT 2023)” to be held at Samarkand State University, Uzbekistan between 3rd & 4th November, 2023.	6,000.00
2023-2024	Lakshay Verma– Student -CST Deptt., Mentor: Dr. Shalu	International Conference on “Artificial Intelligence and Information Technologies (ICAIIIT 2023)” to be held at Samarkand State University, Uzbekistan between 3rd & 4th November, 2023.	6,000.00
2023-2024	Janvi Taneja – Student -CST Deptt., Mentor: Dr. Shalu	International Conference on “Artificial Intelligence and Information Technologies (ICAIIIT 2023)” to be held at Samarkand State University, Uzbekistan between 3rd & 4th November, 2023.	6,000.00

2023-2024	Mrinal Pandey	Payment from MICSBC Grant Project to attend International Conference on “Evolutionary Computing and Mobile Sustainable Networks (ICECMSN 2023)” at Hindustan Institute of Technology, Coimbatore, Tamil Nadu between 9th – 10th November, 2023.	12,500.00
2023-2024	Mrinal Pandey	Payment from MICSBC Grant Project to attend International Conference on “Machine Learning & Data Engineering” to be held at University of Dayton & UPES, Dehradun between 23rd – 24th November, 2023.	7,700.00
2023-2024	Ms. Anju Mishra – Ph.D Scholar - CST Deptt.	10th IEEE UP Section International Conference on “Electrical, Electronics and Computer Engineering (UPCON-2023)” to be held at Amity University, Greater Noida between 1st – 3rd December, 2023.	10,000.00
2023-2024	Parneeta Dhariwal	International Conference on "Artificial Intelligence, Advanced Materials and Mechatronics Systems (AIAMMS-2023)" at School of Engineering & Technology, JECRC University, Jaipur, Rajasthan between 3rd-4th Nov., 2023.	0D
2023-2024	Dinesh Kumar Sharma	28th International Conference on “Nuclear Tracks and Radiation Measurements 28th ICNTRM-2023)” to be held at Guru Gobind Singh Indraprastha University, New Delhi between 6th – 10th November, 2023.	1,240.00
2023-2024	Sanjay Singh	International Conference on “Electrical, Electronics and Computer Engineering (UPCON-2023)” to be held at Amity University, Greater Noida between 1st – 3rd December, 2023.	10,000.00
2023-2024	Gaurav Arora Student - CST Deptt., Mentor: Dr. Manoj Kumar	3rd International Conference on “Evolutionary Computing and Mobile Sustainable Networks (ICECMSN 2023)” to be held at Hindustan Institute of Technology in Coimbatore, Tamil Nadu	10,000.00

		between 9th -10th November, 2023.	
2023-2024	Prateek Arora Student - CST Deptt., Mentor: Dr. Urmila Pilania	2nd International Conference on “Automation, Computing and Renewable Systems (ICACRS 2023)” to be held at Mount Zion, College of Engineering & Technology, Pudukkottai, Tamil Nadu between 11th - 13th December, 2023.	6,500.00
2023-2024	Nachiketa Jha Student - CST Deptt., Mentor: Dr. Urmila Pilania	2nd International Conference on “Advancements in Smart Computing and Information Security (ASCIS 2023)” to be held at Marwadi University, Gujarat between 8th - 9th December, 2023.	7,500.00
2023-2024	Tushar Satija Student - CST Deptt., Mentor: Dr. Urmila Pilania	2nd International Conference on “Advancements in Smart Computing and Information Security (ASCIS 2023)” to be held at Marwadi University, Gujarat between 8th - 9th December, 2023.	7,500.00
2023-2024	Neelu Choudhary	10th IEEE UP Section International Conference on “Electrical, Electronics and Computer Engineering (UPCON-2023)” to be held at Amity University, Greater Noida between 1st – 3rd December, 2023.	10,500.00
2023-2024	Charu Pathak	International Conference on “Emerging Materials, Smart Manufacturing & Computational Intelligence (ICEMSMCI-2023)” to be held at Chitkara University, Punjab between 7th – 8th December, 2023.	10,000.00
2023-2024	Harsh Yadav Student - CST Deptt., Mentor: Dr. Mrinal Pandey	10th IEEE UP Section International Conference on “Electrical, Electronics and Computer Engineering” to be held at Amity University, Greater Noida between 1st – 3rd December, 2023.	8,000.00

2023-2024	Sudeep Batra Student - CST Deptt., Mentor: Dr. Mrinal Pandey	10th IEEE UP Section International Conference on “Electrical, Electronics and Computer Engineering” to be held at Amity University, Greater Noida between 1st – 3rd December, 2023.	7,000.00
2023-2024	Drishti Student - CST Deptt., Mentor: Dr. Mrinal Pandey	International Conference on “Innovative Computing and Communication (ICICC-2024)” to be held at Shaheed Sukhdev College of Business Studies, University of Delhi, New Delhi between 16th – 17th February, 2024.	10,000.00
2023-2024	Mr. Ram Chatterjee Asstt. Prof. - CST Deptt.	International Conference “Innovative Data Communication Technologies and Application (ICIDCA-2024)” to be held at RVS College of Engineering & Technology, Coimbatore, India from 10th to 11th January, 2024.	12,500.00
2023-2024	Chaitali Wadhwa, Shaharyar Asaf Khan	International Conference on “Trade and Investment Law: Legal and Economic Perspectives” to be held at Bennett University, Greater Noida on 1st December, 2023.	2,360.00
2023-2024	Jatin Arora Student - CST Deptt., Mentor: Dr. Mamta Arora	IEEE 3rd International Conference on Innovation in Technology (INOCON) to be held in Sai Vidya Institute of Technology, Bangluru, Karnataka between 1st -3rd March, 2023.	9,000.00
2023-2024	Prinima Gupta	International Conference on “Machine Learning and Data Engineering” to be held at UPES, Dehradun from 23rd to 24th November, 2023.	12,100.00
2023-2024	Parneeta Dhariwal	Session a Chair in FDP in Collaboration with ICT Academy on “Microsoft Power BI Data Analyst Associate” to be held at The NorthCap University from 18th to 22nd December, 2023.	1,400.00
2023-2024	Stuti Thakur, Student - CST Deptt. Mentor: Dr. Manoj Kuma	International Conference on “Innovative Data Communication Technologies & Application (ICIDCA 2024)” to held at RVS College of Engineering & Technology, Coimbatore from 10th-11th January, 2024.	10,000.00

2023-2024	Deepti Thakral	“NEP 2020 Orientation Programme” being organized by Jamia Millia Islamia (MMTTC) from 4th to 13th December, 2023.	1,000.00
2023-2024	Poonam Biswas, Student - CST Deptt. Mentor: Prof. (Dr.) Mrinal Pandey	International Conference on “Advances and Applications of Artificial Intelligence and Machine Learning (ICAAAIML 2023)” to be held at Sharda University, Greater Noida from 28th – 29th December, 2024.	7,000.00
2023-2024	Riya Arora, Student - CST Deptt. Mentor: Dr. Mamta Arora	International Conference on “Innovative Computing and Communication (ICICC-2024)” to be held at Shaheed Sukhdev College of Business Studies, University of Delhi, New Delhi from 16th – 17th February, 2024.	10,000.00
2023-2024	Narender	International Conference on “Advances in Electrical, Computing, Communications and Sustainable Technologies (ICAECT 2024)” to be held at Bhilai, Chhattisgarh from 11th to 12th January, 2024.	9,000.00
2023-2024	Joginder Singh	International Conference on “Emerging Materials, Smart Manufacturing & Computational Intelligence (ICEMSMCI-2023)” being held at Chitkara University, Punjab from 7th-8th Dec., 2023.	10,000.00
2023-2024	Manpreet Kaur	Workshop on “NEP Orientation & Sensitization Programme” from 26th Dec., 2023 to 4th Jan., 2024 being organized by Malviya Mission Teacher Training Centre (MMTTC), Jamia Millia Islamia, New Delhi.	1,000.00
2023-2024	Chenchupalli Chathurya Student - CST Mentor: Dr. Mamta Arora	International Conference on “Innovative Computing and Communication (ICICC-2024)” to be held at Shaheed Sukhdev College of Business Studies, University of Delhi, New Delhi from 16th – 17th February, 2024.	10,000.00
2023-2024	Pradeep Kumar Mouria	International Conference on “Advancement in Material, Manufacturing and Industrial Applications (ICAMMIA-2023)” being held at Meerut Institute of Engineering and Technology,	6,500.00

		Meerut from 26th-27th October, 2023.	
2023-2024	Mamta Kaushik,	Reimbursement of Registration Fees @ Rs. 3,000.00, Travelling Allowance (Train Ticket) and D.A. + Accommodation @ Rs. 10,500/- for attending 26th International Symposium, Electronic Theses and Dissertations (ETD) Symposium 2023 being held at Gandhinagar, Gujarat from 26th-28th October, 2023.	13,500.00 + T.A.
2023-2024	Ms. Kashish Narang, Student – CST Deptt., Mentor: Dr. Meena Chaudhary	International Conference on “Computing, Power, and Communication Technologies (IC2PCT-2024)” to be held at Galgotias University, Noida from 9th – 10th February, 2024.	6,500.00
2023-2024	Mr. Devansh Tiwari, Student – CST Deptt., Mentor: Dr. Meena Chaudhary	International Conference on “Computing, Power, and Communication Technologies (IC2PCT-2024)” to be held at Galgotias University, Noida from 9th – 10th February, 2024.	6,500.00
2023-2024	Ms. Anoushka Pandey, Student – CST Deptt., Mentor: Dr. Mamta Arora	4th International Conference on “Smart Data Intelligence (ICSMDI-2024)” to be held at Kongunadu College of Engineering and Technology, Tamil Nadu, India from 2nd – 3rd February, 2024.	9,000.00
2023-2024	Sunil Kadyan	International Conference on “Global Business Transformation: Now Next and Beyond” to be held at Symbiosis Institute of Business Management, Hyderabad from 30th – 31st January, 2024.	16,000.00
2023-2024	Sampriti Phukan	International Conference on “Sustainability, Technology, Resilience, Innovation, Development and Entrepreneurship (Stride 2023)” to be held at The Northcap University, Gurugram from 14th – 16th December, 2023.	2,000.00

2023-2024	Yogita Sharma	International Conference on “Global Business Transformation: Now Next and Beyond” to be held at Symbiosis Institute of Business Management, Hyderabad from 30th – 31st January, 2024.	5,000.00
2023-2024	Ms. Nikita Mittal, Research Scholar, School of Sciences, Department of Mathematics	International Conference on “Analysis and its Applications (ICAA-2024)” to be held at Jamia Millia Islamia, Department of Mathematics, New Delhi from 19th – 21st January, 2024.	3,000.00
2023-2024	Prashant Bhardwaj	Conference on “SOLARIS-2024, Energy, Ecology & Environment” to be held at Jamia Millia Islamia, Department of Mathematics, New Delhi from 19th – 21st January, 2024.	9,981.00
2023-2024	Piyush Charan		5,246.00
2023-2024	Moditma	Two day conference on aspects of effective teaching	9,970.00
2023-2024	Savita Sharma	Conference on "Mindfulness for Sustainable Business & Innovation"	12,703.00
2023-2024	Mandeep Bhadana	Attended session on "Unnat Bharat: Nurturing Inclusive development for amrutal" at IIT Delhi	2,760.00
