"Book Launch on Climate Change SDG goal-4.7"

The School of Education Humanities hosted a book launch and discourse centered on the international publication, "**Young People and Climate Change Communication and Responses**," on September 25, 2023, at Manav Rachna University in Faridabad. The event featured a panel discussion moderated by **Ms. Alka Tomar, Chairperson of the Centre for Youth (C4Y) and President of the Centre for Environment Communication (CEC) in New Delhi**, Co-author and Editor **Prof. Matthew Hibberd (Professor of Media Management, Media Economics, and Media and Cultural Industries at Università Svizzera italiana (USI), Lugano, Switzerland,)** who shared the book's objectives and contributions from co-authors across India, Bangladesh, Italy, and Switzerland.

The panel discussion focused on climate change communication and responses, particularly among young people. Prof. Hibberd emphasized the crucial role of youth in addressing the climate crisis, while Prof. Rashee Singh, HOD, Department of Education and Humanities outlined strategies to prepare students, future educators, for action on Sustainable Development Goals, especially SGD4.7. The discussion concluded on the importance of global thinking and local action, highlighting youth's potential in implementing SDGs.

Enriching Educational Experience: Undergraduate Students Embark on an Insightful Visit to the National Museum

School of Education and Humanities at Manav Rachna University organized a field visit to the National Museum in Delhi on September 21, 2023. This visit was aimed at benefiting students enrolled in semesters 1, 3, and 5 of Integrated B.A. B.Ed. by deepening their understanding of Indian history, art, and culture and fostering a connection with their heritage. The outcomes of the visit included students' exploration of various galleries and exhibitions, aligning with the department's mission of holistic education that combines theoretical and practical knowledge. The visit allowed students to develop cultural awareness and witness the evolution of art, technology, and society over time. Students documented their experience through reports, essays, pictographic descriptions, and reflective writing. A total of 72 students, accompanied by three faculty members participated in the visit, and they expressed a strong interest in more educational and informative visits in the future.

Student highlight for the Month

Central Teacher Eligibility Test (CTET), a national-level exam conducted by the Central Board of Secondary Education (CBSE) has been qualified by 15 students from B.Ed. viz. Sachi Jain, Pooja, Divya Bhadana, Sonal, Shweta, Vaishnavi, Ruby, Kirti, Rumle, Kamna, Avishi, Naresh, Namrata, Tanya and Monika; 3 students from B.A.B.Ed. Avni, Sakshi and Vanshika; 1 student Aditi from B.Sc. B.Ed. and 2 students, Neetika Yadav and Kulsum from B.Ed. Special Education

EXPLORING MEDITATION AS A PATH TO WELLNESS

The School of Education and Humanities at Manav Rachna University organized a workshop titled "Meditation: A Wellness Tool" on September 20, 2023, at the T-Block auditorium. The workshop, conducted by Swami Medhanand Ji, President of Maharshi Dayanand Yogdham Ashram in Faridabad, aimed to introduce meditation as a means of achieving mental and spiritual relief and peace. Swamiji explained that meditation is one of the eight elements of Yoga and discussed its numerous benefits, including reducing stress, improving memory, enhancing attention and willpower, promoting better sleep, lowering blood pressure, and reducing anxiety and depression. Meditation was highlighted as a source of inner peace and vital energy, which can positively impact both personal and professional aspects of one's life.
