MANAV RACHNA UNIVERSITY

Department of Computer Science and Technology

Date: September 05, 2016

BOS Meeting Minutes

Time: 11:30 a.m.

Venue: 'L' Block, LG-06.

Agenda:

1. To finalize the Approval of iCarnegie Course pedagogy in the curriculum.

2. To finalize Question Paper Setters for MRU Curriculum subjects in context of internal & external exam.

3. To discuss credibility of summer training modules.

4. To assess course feedback received on MRU curriculum.
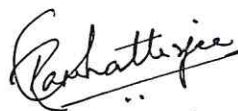

The following members were present:

1. Ms. Hanu Bhardwaj

2. Dr. Jyoti Pruthi

3. Mr. Sachin Lakra

4. Dr. Prinima

5. Mr. Ram Chatterjee

The following were the outcomes of the meeting:

1. The iCarnegie Workshop SDP02 (CSW152P), pedagogy implicated in B.Tech. 2nd Semester for CSE/IT/ECE/ME, was finalized with its current state and context of implementation.
2. The Question Paper Setter were finalized for the MRU B.Tech. and M.Tech. courses in the context of internal paper setter and external paper setter.
3. The summer training imparted on modules viz. Python and Software Testing, through outsourced trainers, have proved credible for students in bridging the gap between academia and industry, in terms of technical skills gained by the students.
4. The feedback received on the MRU curriculum and teaching pedagogy, both from students and faculty, have been found to be positive in context of the contemporariness of the syllabus and fruitfulness in its technical niche.
