# Institutional Social Responsibility

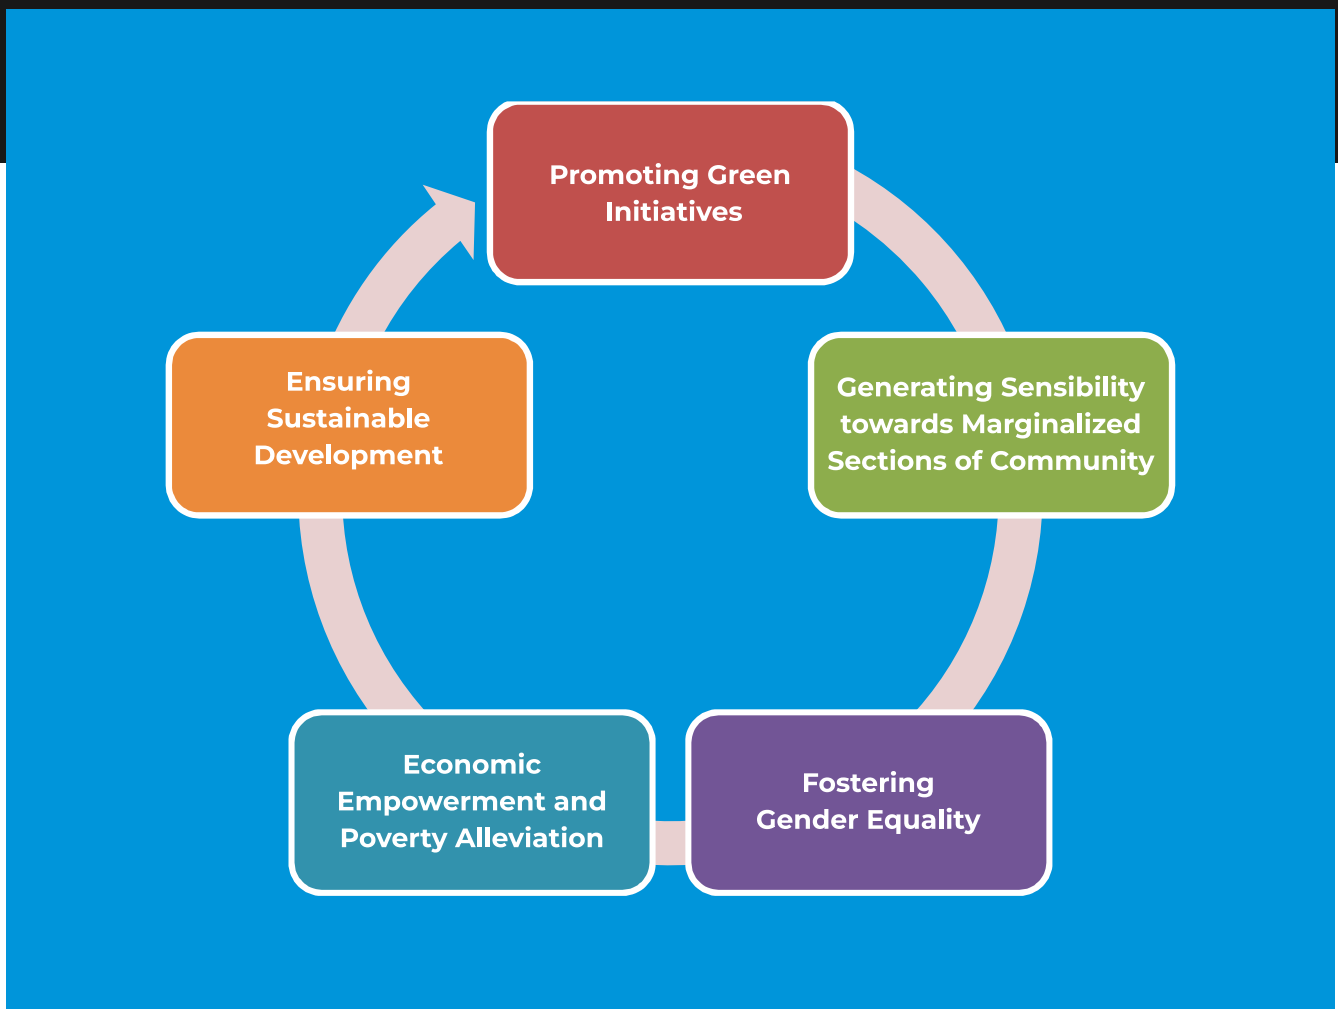

*Institutional Social Responsibility*

## Manav Rachna University

It is indispensable for an educated youth to grow in an environment beholding social responsibility at the centre and become the flag bearers of the essential societal changes for their as well as organization's growth. Keeping this tone of belief, Institutional Social responsibility in Manav Rachna University is of utmost priority. The unswerving approach of Manav Rachna University to the holistic development of students has lead university to sustain magnificent resources for activities in addition to the academic infrastructure and resources. Dean Students Welfare, Manav Rachna University acts as an interface between students and administration. It nurtures the holistic development of students making them competent civilian.

# OBJECTIVES

The university's **Green initiatives** are not limited to providing material support, but also include community engagement and awareness drives. We advocate and support the Green India initiative by the Govt. of India. We have a devoted **Eco Club** to cater to **Eco friendly initiatives**. **University has adopted the following Villages for overall development under UBA; Mewla Maharajpur, Fatehpur Chandila, Ankheer, Anangpur, Pali.** We participate and contribute towards rural development and extend support towards health, education, basic amenities and employment opportunities in the villages. **Gender equality and diversity** is fostered through various activities. Empowering women, visiting old age homes, activities spreading happiness, distributing basic amenities and such other facilities for senior citizens and measures for reducing inequalities faced by **socially and economically backward groups** are the strengths of our institutional initiatives.

# OUR INITIATIVES

The UN defines: "Development concerns not only man's material needs, but also the improvement of social conditions of his life. Development is, therefore, not only economic growth but growth plus change-social, cultural and institutional as well as economic." Resonating with the likeness of the definition, Manav Rachna University takes pride in its social initiatives and strive each moment to make a small difference that can bring a sustainable change in future. Through initiatives like Adoption of Villages, Blood Donation Camps, we strive to inculcate the sense of community service in our students and the society. Ek Mutthi Daan, Sustainability projects, Vaccination Camps, Health Camps are some of the initiatives that help us in taking forward the vision and mission of our Founder Visionary, Dr. O.P. Bhalla to make quality education and health services accessible to all.
