

MRU-Innovation & Incubation Centre

In line with guidelines of MIC, MRU-Innovation & Incubation Centre has been set up in the year 2018.

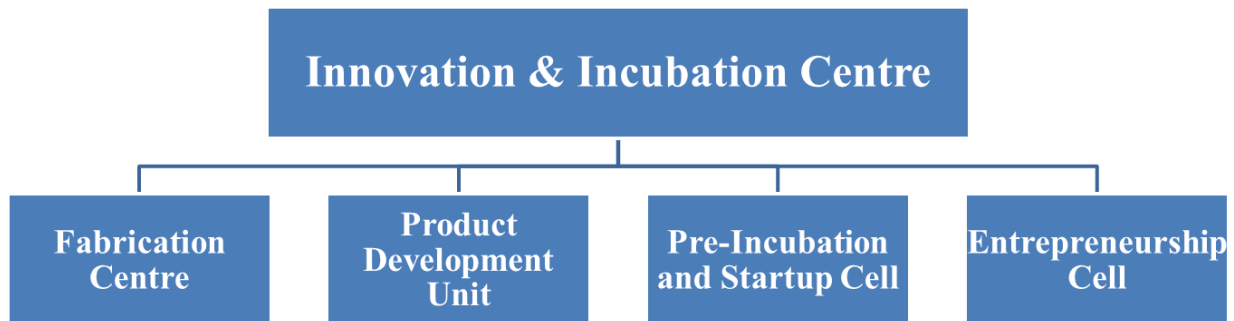

Vision

To create successful Entrepreneurs through a Startup ecosystem based on Innovation.

Mission

- To develop a culture of Innovation and Incubation among the students and faculty members.
- To create an ecosystem where innovative ideas are cultivated from Ideation to Pre-Incubation, Incubation, finally resulting in successful start-ups.
- To provide a state-of-the-art infrastructure and mentorship support to the students in their Innovation and Startup Journey.
