

1. International Conference on Energy Materials and Rechargeable Batteries (ICEMRB – 2023)

Date: December 19-22, 2023

Venue:

I Blok Auditorium, MRU, Faridabad (Dec 19, 2023)

I Blok Auditorium & Seminar Hall-1 & Seminar Hall-2, MRU, Faridabad (Dec 20-22 2023)

Time: 8:45 AM-6:30 PM

An International Conference was organized by the Department of Sciences (Physics Program) to engage the students and research community in the said field of energy materials, rechargeable batteries and open possibilities for future research collaborations.

The conference was sponsored by the Science Engineering and Research Board, Department of Science and Technology (SERB – DST), Council of Scientific and Industrial Research (CSIR) and Society for Semiconductor Devices (SSD). The conference was also financially supported by private partners of IR Technology and Services Pvt. Ltd. and Plantech Instruments.

Prof. (Dr.) D. K. Pandya (Adjunct Professor, IIT Jammu) was the honorable chief guest. The conference included 8 keynote addresses and 12 invited talks by eminent researchers and

scientist, and 17 presentations in the Invited Emerging Researcher Category. Attendees had the opportunity to engage with 86 oral presentations and 35 poster presentations from delegates across the globe. Attendees included academicians and students from various renowned universities including University of Pretoria Pretoria, South Africa; Florida Polytechnic University, USA; (AIST), Kansai Centre; among others. Delegates from several Indian institutes such as NPL New Delhi; UGC-DAE CSR Indore; IIT Indore; IIT Jodhpur; NIT Hamirpur; UPES, Dehradun; and other central universities were also present.
