

Manav Rachna University

Report on Induction Program to Welcome New Joinees

Date: 24/11/2018

GENESIS – A New Beginning

The induction programme was highly successful in generating a spirit of bonhomie. Manav Rachna welcomed its new members with an induction programme- GENESIS 'A grand welcome lays a foundation of trust and hard work among all employees' Manav Rachna welcomed its new employees with an induction programme- 'GENESIS- A New Beginning'. The programme was organized by CHR and commenced with an ice-breaking session to introduce new members of Manav Rachna family to each other and to Manav Rachna Educational Institutions. Senior functionaries of Manav Rachna Educational Institutions graced the event to welcome new joinees.

Dr. N.C. Wadhwa, VC, [#ManavRachna](#) International Institute of Research and Studies ([#MRIIRS](#)) said that Manav Rachna as an institution is growing and you have to grow with it. He also emphasized on the importance of research. On the other hand, Dr. Sanjay Srivastava, VC, [#MRU](#) motivated the employees to keep evolving with the education system.

Dr Sangita Banga, Dean Academics, MRU gave a detailed description on [#LifeSkills](#) Program at Manav Rachna. Dr. Sangita Banga, Director- Students' Welfare introduced clans to the employees and how clans will be an essential part of their journey with Manav Rachna. They were also introduced to ERP.

Ms Richa Sharma, Aptitude Trainer, CRCMC talked at length about the Corporate Relations and Career Management Centre ([#CRCMC](#)) of Manav Rachna and the functions of the department.

Mr Sarkar Talwar, Director [#Sports](#) emphasized on the importance sports play in an individual's life. He stated the fact that sports in Manav Rachna is not only aimed for an overall growth and development but also to evolve as "Super Humans" with all the abilities to conquer what may come in the way.

They were also introduced to [#ERP](#). Dr. Naresh Sharma, Department of Pedodontics and Preventive Dentistry, Manav Rachna Dental College introduced the clinic at [#MRDC](#) developed for children with special needs.

Ruchi Das
