

MANAV RACHNA UNIVERSITY

Sector-43, Aravali Hills, Faridabad

Orientation Program for Ph.D. Scholars on February 19, 2022

Manav Rachna University welcomed Ph.D. scholars Batch 2021-22 (January 2022 Session) in orientation ceremony held online on February 19, 2022. This is the eighth batch of Doctoral scholars at Manav Rachna University.

The orientation program was aimed at stirring the innate potential of every scholar who will now be walking the campus for their journey towards Doctoral Degree next few years. The day started with the briefing of PhD program by PhD coordinators Dr. Prinima Gupta and Dr. Ashima Saxena followed by Course work classes conducted by Dr. Yogita , Dr. S.K. Bose , Dr. Yogesh Kumar and Dr. Neha Sharma. The scholars appreciated this new experience, and commencement of classes on time.

The screenshot shows a Microsoft Teams meeting interface. The main window displays a calendar of events for Ph.D. scholars. The calendar is titled 'Ph.D. Academic Calendar 2021-22 (Jan 2022 Session)'. The events are listed as follows:

Microsoft Teams Meeting: Types of Data

On the basis of collection, data has two types:

- Primary Data:** Data collected by experimenter, or by his/her own efforts. Means this data is not previously used in any study, is called Primary Data.
- Example:** Suppose we want to conduct a study on health status of people of any village, the data obtained by enumerators by using questionnaire will be a primary data.
- Secondary Data:** Data which is not collected by experimenter, but taken from other sources like published reports, articles etc. are called secondary data.
- Example:** "Primary data for one study may be secondary data for other study."
