PRAKARSH

EDUCATION FOR ALL

PRAKARSH

Prakarsh, a vertical under Manav Rachna Centre for Peace and Sustainability deals with Sustainable Development Goal no. 04 according to UNESCO which deals with Quality Education. Our aim is to ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.

Prakarsh has organised various events, projects and workshops to make changes in the quality education concept and make changes through these steps. Prakarsh has worked on many projects and has organized various events in order to work on the implementation of SDG goal 4, Quality Education.

Our works include School visits, events to spread awareness about the native language (Hindi), Teaching learning methods workshops, Book Donation Drives, and Art and creative competitions to spread awareness about Sustainable development Goals.

We at Prakarsh aim to focus on long term projects which fit in areas of education and it's promotion to all to whom we aim to reach.

PEHEL

Knowledge accumulates by spreading and distributing. Although this ancient malayalam axiom doesn't make any sense and one can't obviously give any credence whatsoever to this statement, as far as sharing things is concerned, knowledge definitely reserves its position on the uppermost rungs. It is an initiative to provide quality education to one and all. Immense growth has been observed in the leadership qualities and qualities of holistic development of children and knowledge has been visibly enhanced.

Our Pehel has changed 250+ lives including that of educators and learners. Our project's first phase continued for 8 months. We as Prakarsh intend to inspire more people to gather around and spread education, knowledge and awareness in the society.

Mission - Aimed at the provision of quality education to a massive chunk of learners, irrespective of the age and crossing every other barrier that comes our way.

Vision - Eliminate all discrimination in education. Educators as well as learners could enhance their skills.

Objective - Free Education+ Quality knowledge No age restriction (anyone can have knowledge in any age)

WE BELIEF IN UNIVERSAL LITERACY.

AN INITIATIVE TO CHANGE LIVES THROUGH EDUCATION

PEHEL INAUGURATION

विद्याधनं

सर्वधनप्रधानम्।

The event aimed at the provision of quality education to a massive chunk of unprivileged kids. The volunteers took a step to teach the unprivileged kids who do not have access to education. The events started from Prakashdeep school and spreaded to a large extent.

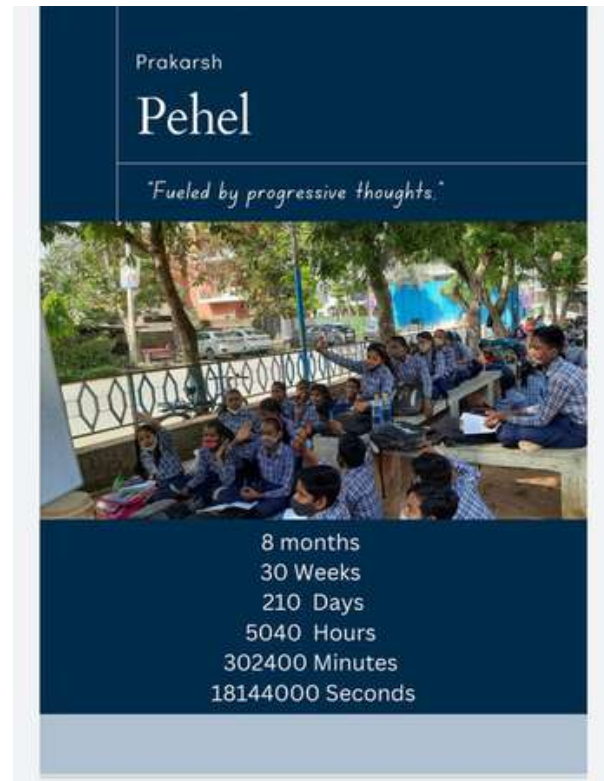

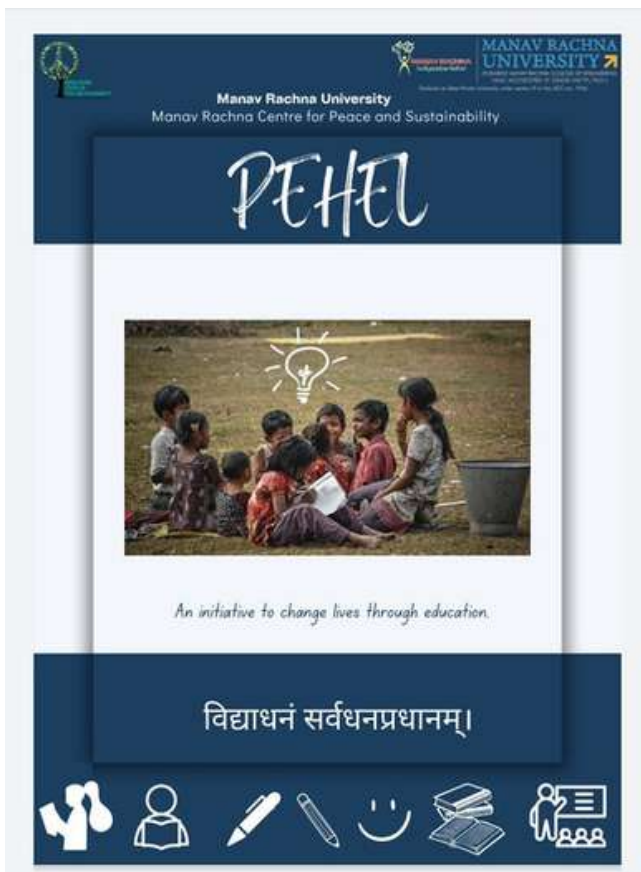

PEHEL LOA CEREMONY

तालीम

For the members who actively contributed in the project with hard efforts, giving a lot of their time to students and showed true dedication towards them and their learning have received an official letter of appreciation signed by Dr. Geeta and Dr. Rashee.

In the same ceremony, we have also launched Pehel Mini Magazine.

UPHAAR

An event was organized to provide books to the needy and promote quality education. The students of the university made their contribution by donating their old books with great enthusiasm. The books included story books, cursive writing books, subject guides, NCERT books etc.

Books are unique portable Magic.

(STEPHEN KING QUOTED)

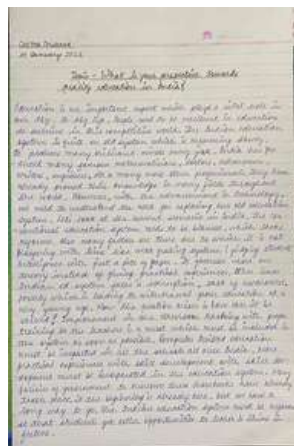

LANGUAGE MATTERS

To Connect and spread awareness about the importance of language, mother Language, Culture, Tradition among People of different regions, religion, Mindsets. Our main motive was to spread unity in diversity. Mother tongue is the most important weapon of a human being and we tried to take an initiative to spread the beautiful culture of India.

LETS PEN IT DOWN

Malala Yousafzai quoted, "One child, one teacher, one book, one pen can change the world." So does education. An event was organized to spread awareness about quality education by penning down your thoughts. The participants were asked to present their thoughts on the topic: "what is your perspective towards quality education in India." The focus was also given to the creativity of the participants and their writing style.

VAT SALYA

To spread awareness about Hindi language an event was organized where the students showcased their creativity by making bookmarks. These bookmarks were made to promote the use of Hindi language and were distributed to the faculty members.

RANGOLI MAKING

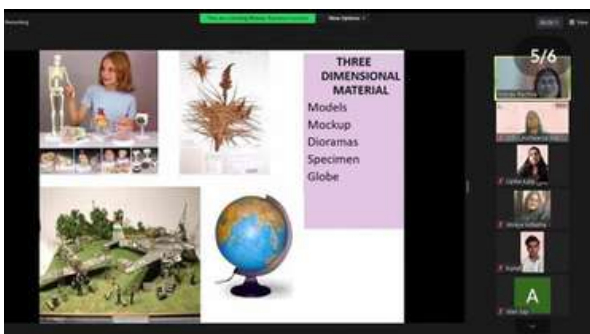

This event marked the beginning of project pehel. On the occasion of diwali the students made a beautiful rangoli on the theme SDG on which the verticals of Manav Rachna Center for Peace and Sustainability works. This event was a great success. It showcased the creativity of students and the importance of SDGs.

MASTI KI PATHSHALA

To celebrate National Education Day and children's day and raising awareness about the rights and education of children the students of Manav Rachna University visited Prakashdeep School, Faridabad. A series of activities were done including dance performances, quiz and much more.

TLM WORKSHOP

To make sure that each participant know that TLM is not a boring or time taking thing but instead is the most interesting and easiest tool to develop the interest of students we organized a TLM workshop. Many ways were presented by the speaker including pictorial representation, board games, experiments etc to improve the imagination of students.

EDUCATION FOR SUSTAINABLE DEVELOPMENT PROJECT

The Prakarsh vertical initiated a project education for sustainable development (ESDP), To spread awareness about the UN's sustainable development goals among school students and inculcate desiring sustainable behaviour.

Student volunteers of the MRCPS targeted various schools in Faridabad, where they used activity-based methods with various competitions and constructivism-based learning to develop interest and clarify various goals and their importance to the students.
